JACKIE

What the hell is going on here, Dana?!

DANA

You're asking me?? I'm as confused as you are.

JACKIE

We need to figure this out!

DANA

I know! I know!! Look, look at my calendar! The Church of God, Holy One is booked in here!

JACKIE

(showing DANA her computer/phone/device)

No, no, no...Look! My calendar has the Little Miss Merry Christmas Pageant scheduled!

DANA

How can that—

JACKIE

I don't understand—Oh, for the love of Peter's pansies.

DANA

What?! What!??

JACKIE

You're using the Google calendar!

DANA

Of course I'm using the Google calendar! We're supposed to use the Google calendar! We've always used the Google calendar!

JACKIE

We switched over to the Outlook calendar three weeks ago! Didn't you get the email? Please tell me you got the email!

DANA

What email?? You never emailed me about this!

JACKIE

(furiously searching her device)

I most certainly did!

DANA

(also furiously searching her device)
You didn't! I never got—

JACKIE

I sent it! It's in my Sent folder! See?

DANA

DANA/JACKIE
